PROJECT DESCRIPTION:

The project includes elements that are analyzed in, and in some instances required by, a Biological Opinion issued by the USFWS and consists of: 1) construction of a perennial pond, approximately 1,600 square feet (sf) in size, located approximately 400 to 500 feet southeast of Horse Stable Pond (HSP); 2) realignment of a portion of an existing golf cart path located west of the fairway for golf course hole number 14 and east of the tee box for golf course hole number 15; 3) removal of sediment and emergent vegetation within HSP and the connecting channel that links HSP with Laguna Salada (LS); 4) construction of steps and a maintenance walkway approximately 4.6 feet in width at the existing HSP pumphouse; and 5) replacement of an existing wooden retaining wall with a concrete retaining wall at the existing HSP pumphouse.

DETERMINATION:

The City and County of San Francisco decided to carry out or approve the project on January 23, 2014. A copy of the document(s) may be examined at Recreation and Park Department, McLaren Lodge-Golden Gate Park, 501 Stanyan St., San Francisco, CA 94117.

1. A Negative Declaration has been prepared pursuant to the provisions of CEQA. It is available to the public and may be examined at the Planning Department at the above address.
2. A determination has been made that the project in its approved form will not have a significant effect on the environment.
3. Mitigation measures were made a condition of project approval.
