No Effect Determination (From CDFW)

PROJECT DESCRIPTION:

The approximately 31,646-square-foot (0.73-acre) project site is located at the northwest corner of Van Ness Avenue and O'Farrell Street on the block bounded by Geary Boulevard to the north, Franklin Street to the west, O'Farrell Street to the south, and Van Ness Avenue to the east, within San Francisco's Cathedral Hill neighborhood. The proposed project would involve demolition of the existing 71-foot-tall, four-story building (currently an office and formerly a TV studio) on the project site and construction of a new 130-foot-tall, 14-story building containing approximately 239 dwelling units and approximately 5,151 square feet of retail/restaurant space along Van Ness Avenue. The residential units would include six three-story, three-bedroom townhouses along Myrtle Street; of the remaining 233 units, about 63 percent would be one-bedroom units and about 37 percent would be two or three bedroom units. A single basement

Revised 07/20/16
level and below-grade portions of the ground floor and second level of the 14-story building would provide for approximately 199 vehicle parking spaces, primarily in stackers, including two car-share spaces.

A secure bicycle room on the second level (at grade mid-block on O'Farrell Street) would accommodate 239 Class 1 bicycle spaces in double-decker, assisted-lift racks. The residential entrance would be from Myrtle Street, as would access to basement parking (178 spaces) for the residential units; parking for the retail/restaurant space (19 spaces) and the two car-share spaces would be accessed via O'Farrell Street, and the secure bicycle parking would be accessible from both the O'Farrell Street garage entrance and the residential lobby. The ground-floor retail/restaurant space would be located along, and accessible from, Van Ness Avenue. Ten Class 2 bicycle racks would accommodate 20 bicycles on the O'Farrell Street sidewalk. Level two (at grade mid-block on Myrtle and O'Farrell Streets) would include a residential lobby, mail room, leasing office and the parking ramp, and the recycling/trash room. Approximately 12,200 square feet of residential open space would be provided through a combination of commonly-accessible spaces and private open space.

DETERMINATION:

The City and County of San Francisco decided to carry out or approve the project on October 20, 2016. A copy of the document(s) may be examined at the Planning Department, 1650 Mission Street, Suite 400, San Francisco, CA 94103 in Case File no. 2015.1305.

1. A Negative Declaration has been prepared pursuant to the provisions of CEQA. It is available to the public and may be examined at the Planning Department at the above address.

2. A determination has been made that the project in its approved form will not have a significant effect on the environment.

3. Mitigation measures were made a condition of project approval.
