The Proposed Budget includes an appropriation of \$562.9 million in FY 2015 and \$669.0 million in FY 2016 for capital projects, and an appropriation of \$943.2 million in FY 2015 and \$962.6 million in FY 2016 for SFMTA operations including operation of the Municipal Railway. The Budget included changes to various SFMTA fines fees, fares, rates, and charges such as the continuation of the free Muni for low and moderate income youth program; funding for a three percent Muni service increase in FY 2015; funding for an additional seven percent increase in Muni service in FY 2016,

additional transit vehicle fleet cleaning and appearance, and Free Muni for low and moderate income 18 year olds, seniors, and/or disabled customers depending on a determination of the agency's fiscal health in January, 2015; elimination of the in-person customer service center fee; possible elimination of the telephone and on-line computer customer transaction fee effective April 1, 2015, and the elimination of parking meter enforcement on Sundays.

DETERMINATION:
