To: County Clerk, City and County of San Francisco
City Hall Room 168
1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Pursuant to the California Environmental Quality Act (CEQA), the Guidelines of the Secretary for Resources, and San Francisco requirements, this Notice of Exemption is transmitted to you for filing. At the end of the posting period, please return this Notice to the Staff Contact with a notation of the period it was posted.

Attached fee: $64 filing fee

PROJECT DESCRIPTION:

The project site is located midblock along the north side of Harrison Street, between 8th Street and Langton Street, in San Francisco’s South of Market neighborhood. The project site consists of a roughly square-shaped parcel on the block bounded by Harrison Street to the south, 8th Street to the west, Folsom Street to the north and 7th Street to the east. Berwick Place abuts the project site to the west. Hallam Street terminates at the northern boundary of the project site, and Heron Street terminates at the western boundary of the project site. The project site is within the Western SoMa Light Industrial and Residential Historic District (historic district). The 75,625 square foot site is currently occupied by a 25-foot tall, one-story plus mezzanine industrial building constructed in 1907 that is a contributor to the historic district. The existing building covers the entire parcel and operated as an auto repair business until August 2017. The proposed project would demolish the majority of the existing masonry building and construct a six-to seven-story, 65-foot tall, approximately 430,000 gross square foot (gsf), mixed-use apartment building

www.sfplanning.org
containing 341,780 square feet (sf) of residential uses (371 units), 6,600 sf of commercial uses, 12,250 sf of amenity and leasing space, and 69,547 sf of garage space. The proposed dwelling units would range in size from approximately 425 sf to approximately 1,328 sf and would include 131 studios, 90 one-bedroom units, 146 two-bedroom units, and four three-bedroom units. Approximately 29,724 sf of public and private open space would be provided with private balconies and decks, three common courtyards, a widened Harrison Street sidewalk, a 30-foot wide public midblock passage from Harrison Street to Hallam Street, and two common roof decks on the sixth floor.

The project would provide 172 on-site vehicle parking spaces (167 vehicle spaces, three car share vehicle spaces, and two service vehicle spaces), as well as utility, trash, and electrical rooms within the basement level garage. The project would provide 372 Class 1 and 41 Class 2 bicycle parking spaces, approximately 3,766 sf of bicycle storage on the ground floor. The project would also provide approximately 650 sf of bicycle lounge space. Primary pedestrian access for the residential use would be provided from the midblock passage, with pedestrian access for the commercial uses provided along Berwick Place and along Harrison Street. Vehicular access to the basement level garage would be through a proposed driveway at the southeast corner of the site with an 18-foot-wide curb cut on Harrison Street. The sponsor would request that the San Francisco Municipal Transportation Agency (SFMTA) designate a 52-foot long on-street commercial loading zone along the north side of Harrison Street west of the driveway between the driveway and the midblock passageway, and a 66-foot long passenger loading zone west of the commercial loading zone. The proposed project would reduce the number of travel lanes from five lanes to four along Harrison Street between 7th Street and 8th Street, widen the sidewalk from 8 to 15 feet along Harrison Street between Langton Street and Berwick Place, install a raised crosswalk across Berwick Place at Harrison Street, reconstruct the existing sidewalks along both sides of Berwick Place, and add curb ramps at the intersection of Berwick Place and Heron Street.

DETERMINATION:

The City and County of San Francisco decided to carry out or approve the project on May 30, 2018. The Planning Commission approved the project on April 26, 2018 (Motion 20166); these approvals became effective May 30, 2018 at the end of the last appeal period. A copy of the document(s) may be examined at 1650 Mission Street, Suite 400, San Francisco, CA, 94103 in file no. 2016-001738ENV and 2016-001738CUA.

1. An Exemption from Environmental Review has been prepared pursuant to the provisions of CEQA under:

   ___ Ministerial (Sec. 21080(b)(1); 15268)
   ___ Declared Emergency (Sec. 21080(b)(3); 15269(a))
   ___ Emergency Project (Sec. 21080(b)(4); 15269(b)(c))
   ___ Categorical Exemption. State type and section number: ______
   ___ Statutory Exemption. State code number: ______
   _X_ Community Plan Exemption (Sec. 21083.3; 15183)

2. This project in its approved form has been determined to be exempt from environmental review because project-specific studies were prepared for the proposed project to determine if the project
Notice of Exemption

would result in any significant environmental impacts that were not identified in the Western SoMa PEIR and it was determined that no additional significant impacts would occur.
